01/05/2024 – 30/05/2024

### Crous'Tillant

This site was created because the official Crous de Lyon website does not offer a modern, intuitive user interface for consulting university restaurant menus.  
The objective was to create a web application for consulting the menus of the Crous de Lyon's university restaurants.

Python, NextJs, TailwindCSS, TypeScript, Prisma, PostgreSQL, Docker
